

**8th International Food Data Conference**  
**Quality food composition data - key for health and trade**  
**1<sup>st</sup>-3<sup>rd</sup> October 2009, Bangkok, Thailand**

**Guidelines for Preparing Posters**

1. Poster size recommended is 90cm (width) X 120cm (height).
2. Posters should be displayed on the boards using adhesive tape that will be available at the poster session desk. Pushpins are not permitted on the boards.
3. Each poster must include the title, the name(s) of the author(s) and their affiliation(s).
4. The size of the characters for the title should be at least 2.5cm (approx. 1 inch) height.
5. The poster should include abstract, introduction, objectives, materials and methods (methodology and design), major results of your findings, discussion, conclusion and references.
6. The poster and illustrations must be readable by interested viewers from a distance of about three feet or more.
7. All posters will be displayed for 2 days, the 1<sup>st</sup> and 2<sup>nd</sup> October. Participants are expected to be at their posters during the assigned time and periods shown in the conference programme. The authors of the poster coded with the **odd number** will present their posters on the **1<sup>st</sup> October** and those with the **even number** will present on the **2<sup>nd</sup> October**.
8. Posters could be set up on the 30<sup>th</sup> September 2009 at **15.00-17.00 h** or early morning (before 08.30 h) on the 1<sup>st</sup> October 2009.
9. All posters must be removed on the 2<sup>nd</sup> October during 17.30-18.30 h.
